

Get active and earn Vitality fitness points

Get active with Vitality to improve your health and earn Vitality fitness points to get rewarded. Earning Vitality points through regular physical activity motivates you to stay active which has significant health benefits. You can earn fitness points for one activity a day, up to a maximum of 30 000 fitness points a year. You can earn fitness points through workouts at our fitness partners, competing in race events or by tracking your activity using a Vitality-linked fitness device.

FITNESS POINTS YOU CAN EARN: 18 – 64 YEARS

* **1000 fitness points threshold.** Earn 50 Vitality points for tracking between 5 000 and 9 999 steps in a day or 100 points for a 30+ minute workout where you are able to maintain 60 – 69% of your maximum age-related heart rate. These activities recognise that important first step for many of our members who are just starting out. For this reason, these points will contribute to your weekly Vitality Active Rewards goal, but will be subject to a cap of **1 000 points** per year towards your Vitality Status.

You can earn up to **1 200** Vitality points per month towards your Vitality Status and Vitality Active Rewards goal by tracking 10 000+ steps and online workouts. After the cap is reached in a month, **all 10 000+ step activity and online workouts** will continue to count towards Vitality Active Rewards goal.

Please note:

- Track 30+ minutes of physical activity in one exercise session a day at a minimum average speed of 5.5 kilometres an hour (walking/running); 1.5 kilometres an hour (swimming) or 10 kilometres an hour (cycling).
- Workouts with an average speed exceeding 25 kilometres an hour (walking/running), 6 kilometres an hour (swimming) or 60 kilometres an hour (cycling) will **not qualify for Vitality points**.
